## DEDICATION

For many years the students and faculty of Woodruff High School have enjoyed the presence of Mr. Thomas Correll. He is known to all as the fine coach of our baseball and basketball teams, and is admired by everyone as a true gentleman of our faculty.

This year Mr. Correll brought more fame and glory to Woodruff by taking his inexperienced basketball club to the 'Sweet Sixteen State Championship Finals' at Champaign, Illinois.

In this, Mr. Correll's outstanding year, we dedicate, as a token of our sincere appreciation and hearty congratulations, this 1951 TALISMAN.

On the stage, with foot lights blazing, soon will bring the crowd's apraising.

The bell has rung - it's time for lunch.

The fastest legs lead the bunch.

Soft music, dim lights, a Christmas tree,  
Enlightened hearts so young and free.

## MACBETH

The Seniors of Woodruff High will long remember the sleep walking scene as portrayed by Mary Lou Engle.

'Here's the smell of the blood still;  
All the perfumes of Arabia  
Will not sweeten this little hand.  
Oh, Oh, Oh!'

Shakespeare

## HIAWATHA

Bill Fleming recites the ever familiar, Hiawatha.

Thus the youthful Hiawatha  
Said within himself and pondered,  
Much perplexed by various feelings,  
Listless, longing, hoping, fearing,  
Dreaming still of Minnehaha,  
Of the lovely Laughing Water,  
In the land of the Dakotahs.

Longfellow

## JULIUS CAESAR

Bill Shaffer plays a major roll as Mark Antony.

'Friends, Romans, countrymen,  
Lend me your ears;  
I come to bury Caesar,  
Not to praise him.'

Shakespeare

## RIME OF THE ANCIENT MARINER

Every incoming freshman, like Jeep Willms, looks forward to learning this phrase.

'Water, water, everywhere,  
and all the boards did shrink;  
Water, water, everywhere,  
Nor any drop to drink.'

Coleridge

## IN MEMORIAM

est of Luck  
- a Nut  
the coming  
ears  
Key

### Madelyn Hermann

Her heart was as pure as the morning dew;  
Her faith had no taint of alloy;  
In a garden of love she lived and grew  
And sang with the accent of joy.

All down the trail of wondrous days,  
She walked in the second mile;  
Doing good deeds in a thousand ways,  
And wearing that wonderful smile.

'Let me go home' to the Master she said  
And whispering a final good-by,  
The angels of God came down to her bed  
And carried her soul to the sky.

## Charles Rice Wins Woodworking Prize

Charles R. 'Dick' Rice, winner of first place in the division of woodworking at the Industrial Arts Fair and graduate of Woodruff High School, and J. Byron Durham, former instructor at Woodruff and now assistant principal at Roosevelt Junior High School, were selected to star in a film produced by the Ford Motor Company and entitled 'Pride in Workmanship.' Peoria as a typical industrial center was chosen by the Ford Motor Company as a site for a film covering subjects of the Industrial Arts Fair this year. This 25-minute film contains scenes taken on a tour of the Ford Rouge River Plant, Dearborn, Michigan; Chicago Museum of Arts and Science; Woodruff High School; the home of Dick Rice; and also the home of Mr. Durham. The film will be available for distribution early in 1951, and is to be shown throughout the United States to encourage development of skills useful in industrial society.

French Club offers its members an opportunity to have a good time and at the same time learn a great deal about the customs of the French people.

This year's activities were highlighted by a weiner roast at Detweiler Park; a talk by Mlle Kambly, head of Bradley University French Department; an initiation party at Phyllis Williamson's home; and the Tri-Language roller skating party.

The climax of the year was dinner in the Vogue Room of Hotel Pere Marquette, with French Menus, programs, and entertainment in a setting entitled cafe Tour Eiffel.

One of the most worthwhile organizations in Woodruff High School is the Library Club. Cooperation and willingness to learn and serve others are keynotes of this service organization, students assist the librarian in helping the students and faculty in using the library to the best advantage. Displays keep the library attractive. Parties and trips have made an interesting social program for club members. Upon successful completion of two consecutive semesters of service, members are awarded pins; after two years, service letters, three years a service bar and at the end of four years a gold flying is attached by chain to the pin.

## Mr. Correll accepts Warrior mascot

On the eve of the Pekin sectional tournament Mr. Pete Hall, publisher's representative, presents Mr. Thomas Correll a lively (rubber)

Warrior Mascot. We are not sure how much this Mascot had to do with it--but anyway our team bounced past Pekin right into the state finals at Champaign.

4TH IN STATE

The Woodruff 'huff and puff' men, under the fine coaching of Mr. Gummerson, finished the '50 season as usual in fine standing. The Warriors racked up eleven victories and no defeats before getting a fourth place in the State meet.

Starting with Tremont, they swarmed through the smaller meets beating Tremont, Manual, Washburn, Canton, Galesburg, and Pekin. In the major meets, W.H.S. came through with flying colors by winning the Genesco Relays, Illini Conference, and District Meets.

In winning the district, they were qualified to compete in State competition. In this, the meet of meets, the Warriors came through in a top rank position, fourth place.

Captain Bob Wagler sparked his crew through this brilliant season. The six other top flight runners on the squad were; Tom Walton, next season's captain, Bill Benner, Wayne Root, Jack McCombs, Charles Hakes, and Bill Weyneth. With seven returning lettermen, the long-winded will no doubt have another successful season next year.

## VARSITY FOOTBALL

The W.H.S. '50 football team, led by all-city stars, Irv Sellers, Walt Durdle, Dick Witzig, and Jim Kats, turned in one of the most impressive seasons in the history of the school. Before loosing to City champs Peoria Manual, the Warriors had won five consecutive games without a loss. First to fall at the hands of the Woodruff eleven was a strong Quincy eleven which was defeated by a score of 6-0. Then Galesburg, 14-0, Central, 12-7, Canton, 32-7, and Lincoln, 33-13, before the shutout by Manual of 28-0. the gridders didn't quite recover from that blow for the rest of the season. After tying a spirited Kewanee ball club (12-12), the Warriors dropped two consecutive heartbreakers; one to East Peoria, 26-25, and one to Pekin, 21-20. The season ended with a 7-7 tie against the Warriors traditional Turkey-Day rivals, Spalding.

Another impressive feat turned by the Warriors was the placing of four players; Irv Sellers, Walt Durdle, Dick Witzig, and Jim Kats on the all-city first team, and one player, John Homan, on the all-city second team.

Chosen most valuable players for the '50 season were Irv Sellers, backfield, and Dick Witzig line.

City-Champs, Regional Champs, Sectional Champs, and a tie for 5th place in the State! That was the record that the Warrior Hoopsters, turned in for the '50-'51 basketball season. Going into the Regional Tournament, the Warriors carried a not too impressive record of 17 wins and 6 defeats, and were not expected to go very far in tourney play. They breezed past East Peoria (52-37), and still no one was alarmed, but 47-46 and 60-61 victories over Spalding and Manual respectively, really caused considerable excitement. This Woodruff team might have something after all, but they still had the sectional ahead of them and most important of all, a strong Pekin team that had given them quite a beating earlier in the season. Entering the tournament as an underdog, W.H.S. surprised everyone by a decisive victory over Lexington, (56-47) and then outplaying a favored Pekin five, 68-60! The Warriors were on their way to Champaign and the 'Sweet 16'! An impressive victory, (76-62) over an outclassed St. Paul of Odell team was the way the first round of play ended for Woodruff. They didn't do so well in the second round of play, losing to Decatur (73-50), and going a four-way tie for 5th place in the State.

This year's captain's chores went to Arnold Boich. No one else could have been more deserving of this honor than 'Fritz'. He was chosen on the all-city team and did a great deal in holding the W.H.S. squad together.

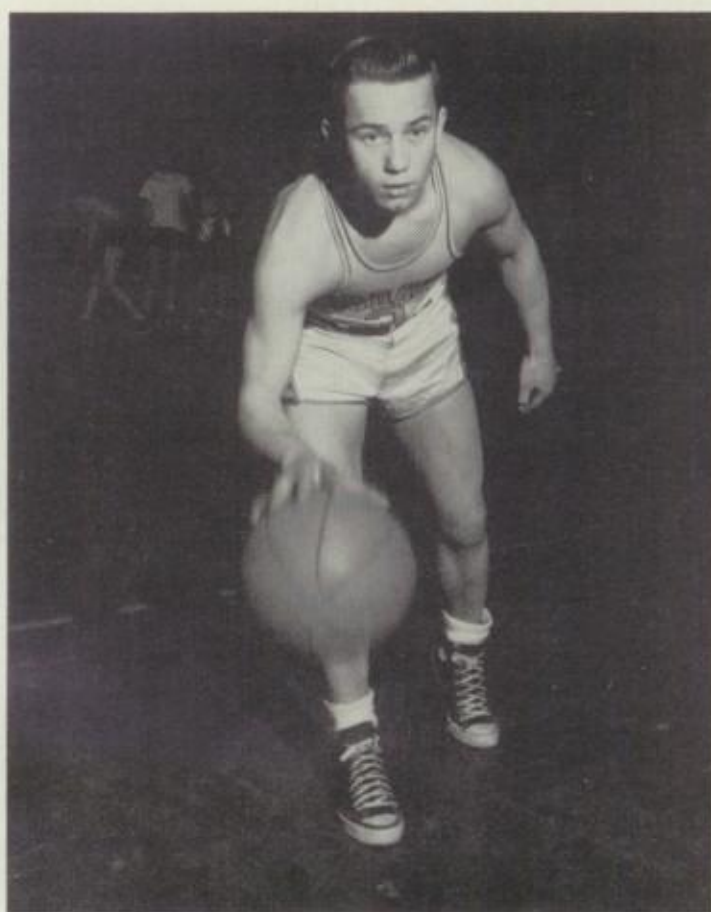

Jerry Lindenmeyer, Jon Burnham, Walt Durdle and Bob Colwell made up the rest of the starting five. 'Lindy's' fire-ball playing meant a great deal to the team, as well as the rebounding skill of Walt Durdle and Jon Burnham, and the defensive guarding job held by Bob Colwell. Tommy Correll's fine coaching ability was once again proven as he built an inexperienced, mediocre ball club into the team that it was.

All in all, the W.H.S. team did a great this year, and their accomplishments will long be remembered.

## Best of luck John I hope you make first team in football next year. Irv Sellers **VARSITY TRACK**

For the second year in a row, Woodruff High School has turned out a sensational track team. With Mr. Gummerson doing his usual fine job as coach, the thin clads went undefeated in dual meets, with the exception of the first meet of the year which was with Chilli-cothe.

With top flight runners like Don Martens and Bob Wagler in the mile and Sophomore Wayne Root in the broad-jump and 4.40, Glen Burmeister in 2.20, and Jerry Lindenmeyer in half mile, the Warriors completed a very successful season in the larger meets also.

Winning top honors in both the Illini Conference and the district meet, the team went on to state competition.

With ten returning lettermen for the '51 season, the Warriors should come through in top standing again next year.

## 

The Warrior Baseball team ended the 1950 season with 12 wins, 12 defeats and one tie for an average of .500%. This was accomplished through the powerhouse hitting of Gene Merrill, and sophomore Carl Weber.

Woodruff started the season with a 'bang', defeating Metamora, 12-0, and winning three of the next six games. Starting with Princeville, however, they dropped four in a row. W.H.S. then came back to whip Easton 8-7, but then dropped the next one to Kewanee, 4-2.

In the District tournament at Princeville, Woodruff almost proved to be the dark horse of the tournament as they took a 3-1 decision over Chillicothe in the 8th round, and then pulled a surprising upset over Spalding, 3-0 before losing to powerful Manual, 12-1.

With nine returning lettermen for the '51 season, the Warriors should prove to be a serious threat.

# The path to your success is here at Bradley University!

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, 'Bradley has the highest accredited rating that an institution can achieve in the United States.'

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 50 areas of study. Its free lecture-arts series is not equalled in any university in the United States. The University is accredited by all the major accrediting agencies.

Under the new 'Bradley Plan,' a student is given the opportunity to combine his regular college education with military training in the university's Air ROTC. If his college and military work is creditable, he has chance for deferment until graduation and for gaining a reserve commission, upon graduation as a ground forces officer in the Air Force.

to Our Country . . .*

In the words of Abraham Lincoln in the President's Message to Congress, December 1, 1862 . . . "The occasion is piled high with difficulty and we must rise to the occasion."

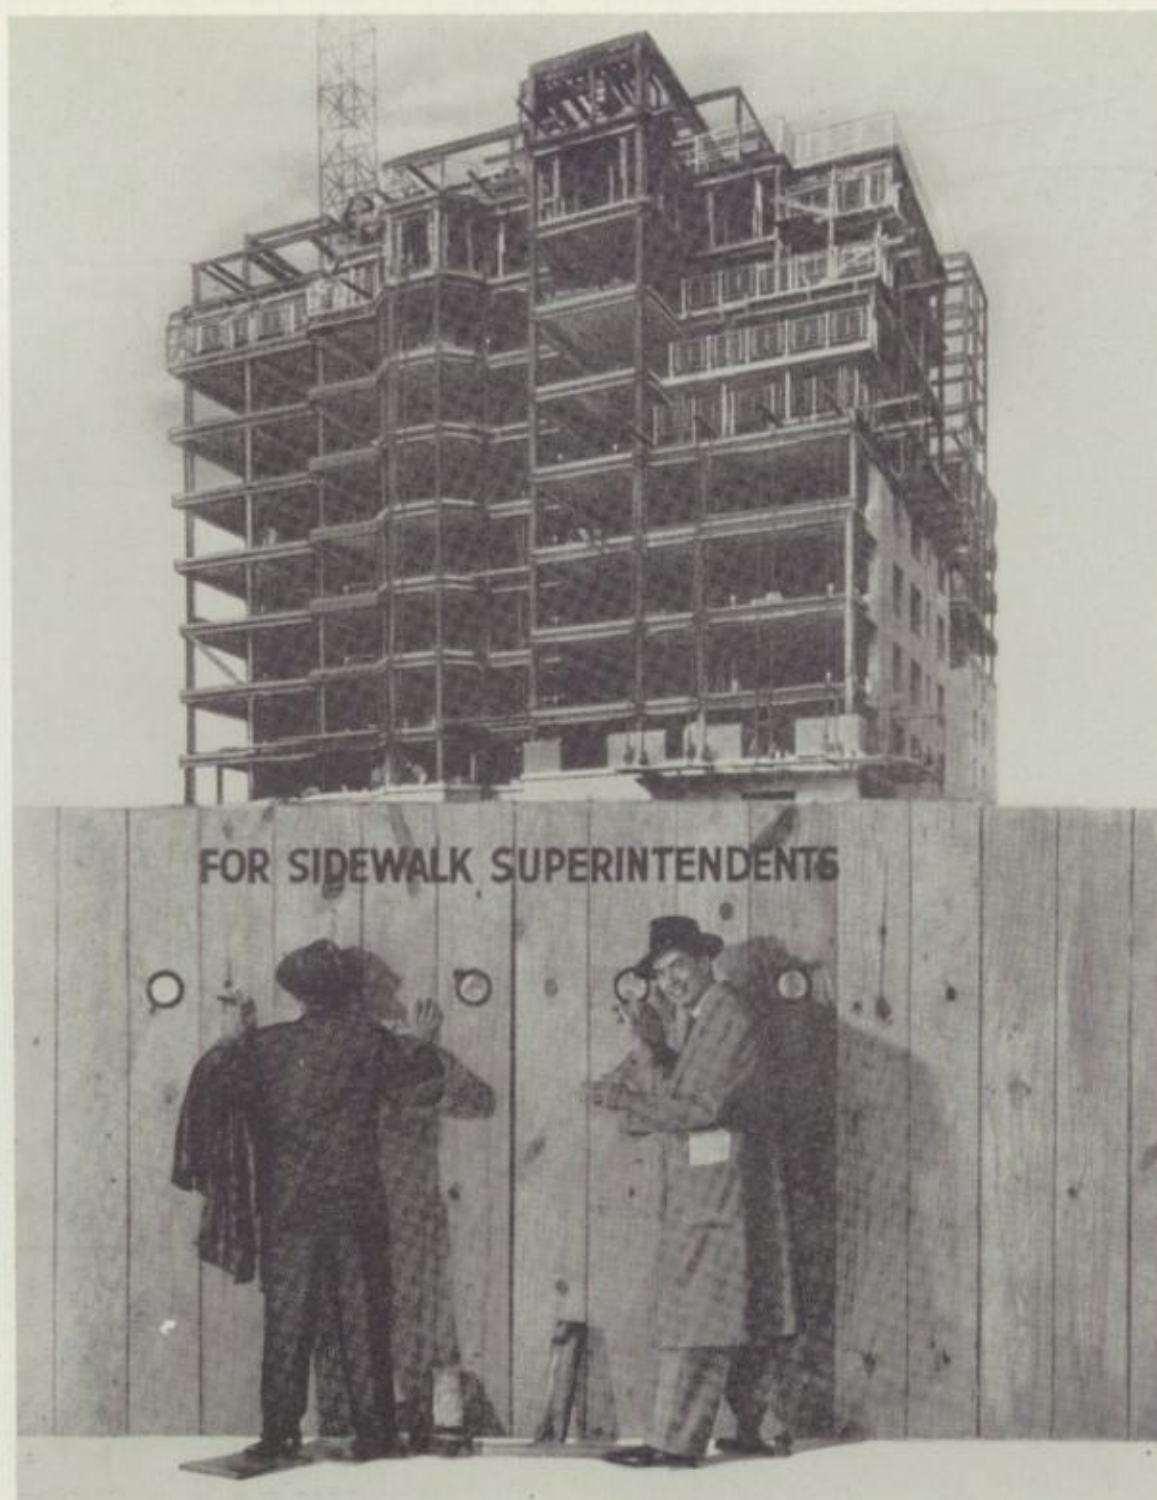

In this national emergency, our responsibility to our country is great. So long as conflicting themes of dogma divide people into opposing camps of philosophy, strife will continue in the world. Above all, we people of the United States must acknowledge a one-ness of purpose, must **remain** united, "one nation indivisible, with liberty and justice for all."

Contradictions are not always what they seem to be. Light and darkness, warmth and cold, land and sea, good and evil, the known and the unknown, seemingly in contrast are but part and counterpart of the whole; the whole of a one-ness — one people, one universe, one God.

The responsibility is ours, this Year's 1951!
